“There is nothing difficult - only new things, unaccustomed things” - Carlos Salzedo

EXPECTATIONS

- I expect my students to have a strong desire to learn how to play the harp well, and approach my suggestions with an open mind.
- Students are required to have at teacher-approved harp at home or school for daily practice as well as the required materials listed in this handbook.
- All students must devote ample practice time between lessons in addition to time spent in ensemble rehearsals in order to attempt new ways of playing.
- Students are expected to attend lessons regularly, and abide by the attendance policies.
- Students must listen to harp recordings of pieces they study and perform as part of their daily practice.
- Attending a minimum of two live harp-related concerts each year, where the students themselves do not perform, is strongly encouraged.
- All students are expected to take part in harp studio recitals, informal performances, competitions, and summer harp events to develop their performance skills by playing for others - both as soloists and as members of an ensemble.

EXPERIENCE

I love teaching the harp! I began teaching harp lessons in 1998. Currently I am thrilled to be the Harp Instructor as well as the Early Childhood Education Program Coordinator at Buffalo Suzuki Strings. I previously served on the harp faculty for the Moores School of Music Preparatory and Continuing Studies program in Houston, Texas; the Round Rock Independent School District Harp Program in Austin, Texas; Temple College in Temple, Texas; and at Blue Lake Fine Arts Camp in Twin Lake, Michigan. When I teach harp lessons the goal is not for my students to win competitions or become professional musicians (thought some students do). My goal is the help students become noble people with compassionate hearts and disciplined minds, who love music.

My credentials include a Bachelor of Music in Harp Performance from the University of Texas at Austin where I studied with Gayle Barrington. A Master of Music in Harp Performance and Pedagogy from the University of Houston Moores School of Music where I studied with Houston Symphony principal harpist Paula Page. My Suzuki training includes coursework with Sharon Jones, Delaine Fedson Leonard, and Dr. Laurie Scott. Additionally, I am an alumnus of the Salzedo School in Camden, Maine where I studied upon invitation with one of Salzedo’s most famous pupils the Alice Chalifoux, former principal harpist of the Cleveland Orchestra.

LESSONS & LOCATIONS

**Regular Weekly Lessons** - I offer regular weekly lessons in time periods of 30 minute, 45 minute, and 1 hour long lessons at my studio. All school-aged students are required to take weekly lessons. Weekly 30 minute lessons are offered only to students under the age of 12, or beginners of any age in their first semester of lessons.

**Floating Lessons** - Adult students who do not wish to take regular weekly lessons may take Floating lessons. Floating lessons are only available for one-hour long lessons. Floating lessons are purchased and scheduled in groups of four lessons to be used during the course of two months.

Lessons take place at my studio in Buffalo. Students are welcome to bring their harp for lessons or may play one of my Lyon & Healy pedal or lever harps during the lesson.

In rare cases I may travel to students’ homes to teach an occasional lesson for a slightly higher hourly rate, but regular lessons must take place at my studio. Travel to a student’s home is only available for a one-hour lesson, at my discretion in special circumstances based on schedule, location, and need.

**Group Class** - When enrollment allows, I offer group classes twice a month. In group classes we play as an ensemble, learn how to take care of our instruments, and play music theory games. Group classes meet for 60 - 90 minutes (based on student level) and students must bring their harp.

Tuition

- Students must choose to pay using one of the Tuition Payment Plans below.
- Payment must be in the form of personal checks or cash.
- There will be a $25 fee for all checks returned by the bank for any reason, in addition to reimbursement for the original amount of the check.
- If lessons are terminated by the student, parent or teacher before the end of the payment period (semester or month), payment will not be reimbursed.
- Families with more than one student enrolled in harp lessons will receive a discount of 5% off the regular tuition fee for each student enrolled.
- All tuition payment plans are based on the following fee schedule:
  
  30 minutes = $25, 45 minutes = $35, 1 hour = $45.
- The Fall semester includes 15 lessons (September - January), and the Spring semester includes 15 lessons (February - May).
Monthly Tuition Payment Plan

Monthly tuition is calculated based on 30 lessons divided by 9 months (September - May) and rounded to the nearest even number creating equal monthly payments.

Floating Lesson Tuition Payment Plan

Floating Lessons are only available to adult students with busy schedules. Floating lessons must be purchased and scheduled in groups of four lessons and are only available for one-hour lessons.

- Floating Lesson Tuition is $180 for a set of 4, one-hour lessons.

Floating Lesson Tuition is only valid for 4 lessons over a two month period, and expires two months from the date of payment, regardless of how many lessons actually take place.

Summer Lessons

Students are highly encouraged to continue taking lessons during the summer. Summer lessons must be scheduled and paid for in advance at the beginning of each month. Summer Lessons are offered at the following rates: $25 for 30 minutes, $35 for 45 minutes, and $45 for one hour.

Practicing & Tuning

In my experience students who practice regularly outside of their lesson are the ones who enjoy playing the harp the most. Students please make every effort to observe the following guidelines:

- A minimum of 5 days of practicing per week is expected for all students.
- Students ages 5 and under: 5 minutes with enthusiasm 3 times per day!
- Elementary School Students: 30 minutes of harp practice per day - this can be divided into multiple sessions per day.
- Middle School students: 45 minutes of harp practice per day, in ADDITION to time spent playing in other ensemble rehearsals.
- High School students and above: 1 hour per day, in ADDITION to other ensemble rehearsals.
- Students preparing for college auditions and/or competitions at the state or national level: 1.5 hours (minimum) per day.
- All students ages 12 and older must tune their harp a minimum of 3 times per week - tuning everyday is best for the harp. Parents must tune or supervise tuning for elementary students.
Scheduling & Attendance

SCHEDULING

The student’s regular lesson time is theirs to keep for one academic year (September to May).

Individual lessons are offered on Tuesdays, Wednesdays, or Thursdays. Group Lessons typically meet on Friday or Saturday. No lessons on Sundays or Mondays.

Please refer to the online studio calendar at http://students.kelaharp.com/S/Calendar.html for the most current information about the lesson schedule.

ATTENDANCE

Consistent attendance at lessons is required. In my experience, students that commit to regular lesson attendance progress more quickly and get the most enjoyment from harp lessons.

I have set aside your lesson time to teach you so please be respectful of my time and make every good faith effort to be at your lesson.

To continue to be a member of my studio, all students must attend lessons regularly.

If you will miss your lesson for any reason, you must contact me directly via phone or text.

Excused Absences

1. To obtain an excused absence the student (or parents) must contact the teacher more than 24 hours in advance about missing a lesson.

2. Each student can reschedule or make-up TWO excused absences per semester. After two excused absences in a semester, missed lessons may not be rescheduled and payment must be made regardless of attendance for all scheduled lessons.

3. In cases of sudden illness, extreme weather, or dire emergency: a student may obtain an excused absence at the teacher’s discretion, with less than 24 hours notice by contacting the teacher as soon as possible and prior to the original lesson time. In this case, a make-up lesson will be only be available to schedule during one of the allotted make-up lesson days in the calendar.

Unexcused Absences

1. Unexcused absences will not be rescheduled, made-up, or refunded

2. Canceling a lesson with less than 24 hours notice will result in an unexcused absence, except in cases of sudden illness or emergency determined at the discretion of the teacher.

3. Scheduling doctors appointments for well visits (check-ups, dentist, orthodontist, etc.) during your harp lesson will result in an unexcused absence.
4. A failure to give notice about an absence - i.e. no call, no show - will result in the student paying a $25 fee in addition to the usual cost of the lesson in question.

EMERGENCIES

In extreme weather or local emergency situations, lessons will be held or canceled based on the decisions of the student’s local school district, or any driving bans between the student’s home and my studio.

In extreme weather situations, lessons via Skype or FaceTime are encouraged, or a lesson will be available during the make-up lesson days at the end of each semester.

RE-SCHEDULING & MAKE-UP LESSONS

As the Teacher, if a conflict should arise in my schedule with the student’s lesson day and time, I will give the student notice about the conflict as soon as possible in advance. I will do one of the following:

1. Reschedule the lesson in advance at everyone’s earliest convenience or during the allotted make-up lesson days scheduled in the calendar.
2. Offer a Skype or FaceTime lesson at a mutually agreed upon time.
3. Refund the lesson if necessary.

Should I need to cancel a lesson due to illness or emergency, I will call and/or email the student (or parent) to cancel with as much notice as possible before the lesson. A make-up lesson will be available during one of the make-up lesson weeks during the semester, or the lesson will be refunded.

Students, are allowed to reschedule or make-up TWO of their Excused Absence lessons per semester, provided the student (or parent) adheres to the attendance policy. After two excused absences in a semester, missed lessons may not be rescheduled and payment must be made regardless of attendance for all scheduled lessons.

If a scheduled make-up lesson is missed or cancelled by the student, a second make-up lesson will not be offered.

SHORTENING OR TERMINATION OF LESSONS

Shortening of Lessons

Should a student arrive for their lesson late or unprepared (i.e., without their music or lacking sufficient practice), I reserve the right to shorten or cancel the lesson at the student’s expense. I have set aside my time to teach, therefore a lack of preparation is a lack of respect for my time.
Grounds for Termination of Lessons by the Teacher

Lessons will be terminated for the reasons listed below or at the discretion of the teacher. Students will be given one written warning via email, and the chance to change their behavior or resolve the problem.

❖ If a student is not following the studio policies.
❖ If a student has a routinely poor attitude.
❖ If a student is perpetually tardy.
❖ Habitual absences, regardless of being excused or unexcused absences, or a repeated failure to follow the attendance policy will result in the permanent termination of lessons. Habitual absences are defined for all students as: a student who does not attend a minimum of 3 lessons per month on average during the fall and spring semesters.
❖ If a student is repeatedly unprepared.
❖ If the student has an unpaid balance due for more than 30 days, lessons will be terminated immediately and the balance will still be required in addition to any late fees and court costs.

When the decision is made to terminate lessons, the student’s regularly scheduled lesson time will be forfeited and possibly assigned to other current students or the next student on the waiting list. If lessons are terminated by the student or teacher before the end of a tuition payment period, payment will not be reimbursed.
Performances & Summer Events

RECITALS

All students are expected to participate in studio recitals. Suzuki Students are encouraged to give recitals upon completion of each book. Additionally I encourage high school seniors to give a Senior solo recital, or a combined recital with another harp student. Outreach performances at retirement homes and non-profits are also given by students as a soloist or in harp ensemble on a regular basis.

COMPETITIONS

Students are encouraged to participate in local and national competitions, such as the American Harp Society National Competition held in odd numbered years at the AHS, Inc. Summer Institute.

HOLIDAY HARP ENSEMBLE

The Holiday Harp Ensemble is open to students of all ages and levels, and will perform two or three ensemble pieces for our studio’s Holiday Harp Tour. Students may choose from several performance dates during the Holiday Harp Tour of various area senior living and community centers.

Rehearsal Schedule: The Holiday Harp Ensemble will have one dress rehearsal on the same day and at the same location as the concert. Students will also rehearse the music in their lessons and group class.

Holiday Harp Ensemble Music: Music will be chosen based on the skill levels as well as the cultures and traditions of students performing. I will provide all music required.

Harp Student Supply List

REQUIRED SUPPLIES

- **Tuning Key** – All students must have their own personal tuning key.
- **Electronic Chromatic Tuner** – Students (or parents of students under 12) must tune their harp a minimum of three days per week, tuning everyday is best for the harp. A separate electronic device is recommended, or an approved app on a mobile device.
- **Tuning Pick-up Microphone** – This device plugs into your tuner and clips onto the harp; it helps tune in noisy situations such as ensemble rehearsal.
- **Metronome** – Must have a loud ticking sound that can be heard while playing. (Can be an app on a mobile device.)
- **Assignment Book** – A spiral notebook or a practice planner.
- **One Three Ring Binder** – Students must have someplace to store handouts, ensemble music, and the occasional copies I may give them for their solo and theory work.
- **On Playing the Harp - Yolanda Kondonassis**: This 150 page method book is full of helpful information about harps and technique including informative text, pictures, exercises, and warm-ups. It will last any harpist for a lifetime – required for pedal harp students of any age, and all lever harp students ages 12 and up.  Published by Carl Fischer. List Price $26.95.
- **Music** – Students are responsible for promptly purchasing and owning original sheet music and recordings of all solo music they perform, as well as other music as assigned.
- **Adjustable Bench** – It is best to buy one sturdy adjustable bench, this way as the student grows or switches to a different sized harp (as many students do) they can always sit at the proper height.
- **Music Stand** – Must have a sturdy desk (where the music sits) that swivels and the height should adjust. **Folding wire stands are NOT acceptable** because they are flimsy, easily collapse, and often damage the wood and finish of harps.

FOR BEGINNING HARPISTS

- **Grand Staff Flash Cards** - Only for students learning to read music.

Most supplies can be purchased directly from me, and I offer shipping discounts on group music orders at the beginning of each semester.
